## **Cassis Announces Town Hall Meeting**

LANSING – State Sen. Nancy Cassis today announced she will host a town hall meeting to gather input from residents regarding what they believe the state's budget priorities should be.

The forum will take place Monday, Feb. 28, from 6:30 to 8 p.m. at the Milford Township Office Meeting Room, 1100 Atlantic St., in Milford.

“Michigan is facing a difficult budget year,” said Cassis, R-Novi. “As we move through the budget process, it is important that I have a full understanding of what people think should be the state's priorities so I can be an effective voice in Lansing for my district.”

Residents should come prepared to discuss in detail what specific programs they would rate as top priorities for the state, whether jobs, education, health care, transportation, public safety, etc.

This is the first in a series of town hall meetings that Cassis is sponsoring throughout the 15<sup>th</sup> Senate District.
